Re: Sheng-Guo Wang's Patent Application 09/989,799 of 11/20/2001
TC/A.U. 1731

Dear Honorable Commissioner:

Applicant respectfully submits his **enclosed Amendment and Reply Remarks** to correspond to the 7-26-2006 O.A., and to **place it in condition for allowance**.

Amendments to the Claims are reflected in the listing of claims (total 6 pages) as attached.

Reply Remarks (total 50 pages) are as attached. A correct translation of JP 06-206734 is also attached because the previous Examiner's cited translation in the file is incorrect.

The **Record of Substance of Telephone Interview of 10-10-2006** is enclosed. For convenience of counting pages, above-mentioned each document has respective page numbering.

I respectfully submit that the claims patentably differ from the prior art, and are in proper form now and in condition for allowance.

Again, thank you very much for your consideration of my application.

I respectfully request that a timely Notice of Allowance be issued in this case.

Very truly yours,

Sheng-Guo Wang.
